## We Want To Know What You Think!!

The Hoover School Climate Survey is an anonymous survey used to identify school climate issues within the Hoover community. We will be surveying students in grades 3-5, families and staff. The data collected from the survey will be used to identify stakeholder perceptions of school climate issues within our school. School staff will use the results to inform our efforts at improving the climate of our school climate survey.

The Hoover staff understands the importance of school culture. We need input from all stakeholder groups. Here is a link to the survey:

## MSTEP - Michigan

The Michigan Student Test of Educational Progress, or M-STEP, is a 21st Century computer-based assessment designed to gauge how well students are mastering state standards. These standards, developed for educators by educators, broadly outline what students should know and be able to do in order to be prepared to enter the workplace, career education training, and college. When combined with classroom work, report cards, local district assessments and other tools, M-STEP results offer a comprehensive view of student progress and achievement. This week our 3rd graders will be taking the assessment Wednesday morning and 5th grade will take the assessment on Thursday morning. Please be sure students are to school on time. Please see our detailed letter attached to this email for more assessment information.

## DID YOU KNOW?

- Starting in preschool and kindergarten, too many absences can cause children to fall behind in school.
- Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
- Students can still fall behind if they miss just one or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences and tardiness can affect the whole classroom if the teacher has to slow down learning to help children catch up.

**Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Eventually good attendance will be a skill that will help them succeed in high school and college.**

## Hoover's Clothes Closet

Hoover has a "clothes closet" for students who spill things on their clothes. If you have clothing items that your children have outgrown and you would like to donate them, we are in need! We could really use pant/sweat pants! Any donations would be greatly appreciated!

## WE WANT YOUR FEEDBACK!

Hoover Elementary is dedicated to providing each and every student with a high-quality education. If you have any concerns, suggestions, or wondering regarding our Hoover programming, please reach out to our building principal, Debra Dimas by email, phone, or through an in-person meeting. Mrs. Dimas' email address is [debbie.dimas@myhpsd.org](mailto:debbie.dimas@myhpsd.org).

## Birthday Celebrations

Whether you are turning 6 or 66, birthdays are special! At Hoover we know that and want to be sure we celebrate our birthday kiddos! Each morning we announce our birthday students and invite them down to the office for some special surprises! During lunch we sing "Happy Birthday" to our celebrants! For a variety of reasons students are no longer able to share birthday treats. Thank you for your cooperation!

## Hoover Breakfast and Lunch Menus

The breakfast and lunch menus can be found on the district website, or you can follow this link: <https://hazelparkschools.nutrislice.com/menu/hoover-elementary>. Also, students who are eating our school lunches may not bring additional snacks to lunch. If students are bringing their own lunch they may bring any snacks/food your family would like to pack. However, students are not allowed to have pop. If students do not have a drink with their packed lunch they will need to purchase a lunch.

## Thursday is Bagel Day

Each Thursday we will be selling bagels for \$1. We have salt, plain, everything, and salt sticks. The funds raised through our bagel sale will be used to sponsor our monthly celebrations and other fun events for students.
