SPRING

PRINCIPAL'S NOTE:

Hello HPJH families-

We hope that you had a great weekend and were able to spend some time with family. We have another busy and packed week here at the junior high. Spring sports are in full swing and we will have our incoming 5th graders coming to visit their new school. Please continue to talk to your student about finishing up strong. As we have mentioned before, there is a great deal of learning that still needs to take place. As the weather gets warmer, let's make sure our students are following the dress code. We appreciate any help you can give us in that area. Unfortunately, we will have some construction taking place for a few weeks in front of the school. Attached is the map and how it will affect your route to school. Please be patient as we will all have to adjust the first couple of days until we get it all figured out. We all want the same thing and that is to pick up our students safely and quickly.

Let's have a great week.

With students in mind,

John Barnett

Principal

Hazel Park Junior High

THIS WEEK'S EVENTS:

Softball practice @ HPJH 3-5

PBIS FOCUS BEHAVIOR:

BE RESPECTFUL: Be respectful, give grace, listen to what people are going through. Don't let a bad morning, ruin the rest of your day.

Quote of the week:

"Life is too short to waste your time on people who don't respect, appreciate, and value you"
Roy Bennett

UPDATED ROAD CLOSURE COMING

**HAZEL PARK
SCHOOLS**

Road Closure

Junior High
Highland Ave. will be closing between Woodruff and 9 Mile starting next week.

Vasser would be one option and using Hughes and coming around Otis would be another.

Highland between 9 Mile and Woodruff will be closed to repair the road.

Please use Vasser as the alternate route.

MARK YOUR

Calendar

Current 7th Graders

for an important meeting about
Hazel Park Junior High School's

2024

Washington D.C. Trip

Meeting Date and Time:

May 3rd, 7:00 PM

Meeting Location:

Hazel Park Jr High Auditorium

Come learn about all that the
students will experience on this
once-in-a-lifetime opportunity.

**Payment plans,
financial assistance,
and fundraising
tools are available.**

Trip Dates: 5/7/24 - 5/10/24

Incoming 6th Graders through 8th Graders

JUNE 26 - AUGUST 3, 2023

JUNIOR HIGH SCHOOL

**MONDAY THROUGH THURSDAY
8:15 TO 11:15 AM**

SCAN THE QR CODE TO REGISTER

Students in sixth through eighth grades will participate in learning experiences focused on reading and math. They will also get to take part in some hands-on activities that may include sports, fine arts, and STEM.

The specifics of the hands-on activities will be announced at later date.

WELCOME TO 6TH GRADE BOOTCAMP

AUG. 24, 2023 - 8:30 AM TO 2:30 PM

This one-day experience, which takes place the day after Patriot Day, will welcome incoming sixth graders to the Junior High School. This will help acclimate your student to a Junior High schedule and the learning environment. They will also participate in team-building activities throughout the day.

Welcome to 6th Grade Patriot Day!

Hazel Park School District

Incoming 9th Graders through 12th Graders

**JUNE 26 - AUGUST 3, 2023
HIGH SCHOOL**

MONDAY THROUGH THURSDAY - 8-11 AM & 12-3 PM

MATH BOOT CAMP

Designed to prepare students for the math course they will be taking during the 2023-2024 school year. We offer a camp for students needing and/or wanting to build their Algebra 1, Geometry, Algebra 2, and Pre-Calculus math skills.

The sessions will be spent reviewing prerequisite knowledge and introducing new concepts that will be taught during the upcoming school year.

Class sizes are small (around 10 students), so students receive lots of individual attention and continuous feedback.

Students that successfully complete this course will receive a .5 elective credit.

ELECTIVE COURSES

The Elective Course Offerings will consist of one face-to-face elective course offering during the eight-week summer programming. We are aiming at offering an Art elective to allow students to explore an art elective such as jewelry or pottery.

Students that successfully complete this course will earn a .5 elective credit for Visual, Performing, or Applied Art (VPAA) Credit.

HPHS CREDIT RECOVERY

The HPHS Credit Recovery Summer School Program will consist of offering Credit Recovery courses via our Edgenuity Platform.

This program will allow students to earn credit in high school courses for the purpose of remediation or acceleration.

Every Wednesday, the teachers for Credit Recovery will make themselves available in the Media Center from 8am - 3pm to offer a drop-in option for students that want in-person help with their Credit Recovery courses.

**JUNE 26 - AUGUST 3, 2023
HIGH SCHOOL**

MONDAY THROUGH THURSDAY - 8-11 AM & 12-3 PM

The HPHS Bridge Summer School Program will consist of a summer school program for incoming 8th-grade students that need additional assistance with their Math and/or English skills. The Bridge Summer School Program will be held the same six weeks as all of the High School Summer School programming. Students that successfully complete this course will receive a .5 elective credit.

THE BRIDGE SUMMER SCHOOL PROGRAM WILL...

- Refresh Math and English Language Arts skills learned during 8th grade
- Prepare your student with skills needed to be successful in Algebra & 9th grade English
- Strengthen your student's problem-solving, reading comprehension, and critical thinking skills
- Enrich your student's interest and boost their confidence in Math and English

HIGH SCHOOL SUMMER CLASS REGISTRATION INFORMATION

TUITION: No Cost for the 2023 Summer School Programs

REGISTER in person at Hazel Park High School: March 28 - June 23, 2023; Monday thru Friday 7 am to 3 pm

Summer Computing Programs for Girls

Bits & Bytes

Summer Computing Camp for
Middle School Girls

June 26-30, 2023 (on EMU's
campus)

EASTERN MICHIGAN UNIVERSITY

Bits and Bytes is an all-day, week-long, summer computing camp for middle school girls. It introduces computing and technology from theoretical concepts to applied projects. Coding is introduced through educational software and robots with the support of student mentors. The camp concludes with a hackathon and a career discovery event. It is staffed by the Women in Computer Science (WICS) club members at Eastern Michigan University and led by a faculty member.

Register at <https://forms.gle/io7R1Nz4jkPzWobE6> or scan QR code.

This camp is free of cost. Camp registration fee is \$25.

Sponsored by:
NASA's Michigan Space Grant Consortium
Award no 80NSSC20M0124

Summer Computing Programs for Girls

Gigabytes

Summer Computing Program for High School Girls

July 17-21, 2023 (on EMU's campus)

Gigabytes is an all-day, week-long, summer computing program for high school girls. It introduces computing and technology through robot-based programming. Coding is introduced through educational robots with the support of student mentors. The program concludes with a hackathon and a career discovery event.
